PUT YOURSELF IN A SOUND POSITION WITH

*Shorthorns*

Economists tell us that we need to produce more cattle and beef. This is because our population in the United States is 17,000,000 persons greater than it was ten years ago and it is increasing by more than 2,000,000 a year. On the other hand our total number of cattle have decreased from an all time peak of 85½ million head in 1945 to 78 million head the first of 1948. In each of the past four years our total slaughter of cattle exceeded our calf crop by a substantial margin.

Our limitation for future development does not lie in price but our inability to produce more and better cattle. Purebred cattle in comparison with other agricultural commodities are cheaper today than they have been in 50 years, so why not buy the best bull or the best females that you have ever used because in terms of bushels of corn and bushels of wheat, they will cost less than ever before. Now is the time then to improve your herd and in so doing you will improve your farm and financial position. A good Purebred cow herd is the best guarantee against any inflation or deflation that might be created in the coming years.

The Missouri Shorthorn Breeders' Show and Sale gives the prospective buyer the finest opportunity to buy top quality Shorthorns at conservative prices.

On behalf of The Missouri Shorthorn Breeders' Association I extend a hearty welcome to everyone to join us on March 16th at Chillicothe.

## GENERAL INFORMATION

**TIME** - The show will be held at 9:30 a.m. and the sale at 1:00 p.m.

**LOCATION** - The sale will be held in the Fraley Sales Pavilion at Chillicothe. Chillicothe is at the Junction of U. S. Highways No. 36 and No. 65. Hotel Strand will be Sale Headquarters. Make your reservation there or at the Leeper Hotel well ahead of time.

**TERMS** - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE** - All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's disease within 30 days of the date of this sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at the buyer's costs of transportation.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease and health charts will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Mervin F. Aegerter of The Shorthorn World; Don Bowman of the Missouri Ruralist; Wally Gladish, Drover's Telegram, Kansas City, Missouri; C. K. Tomson, Secretary, American Shorthorn Breeders' Association, U. S. Yards, Chicago, Illinois; C. D. Swaffar, Fieldman, American Shorthorn Breeders' Association, 1111 South Pittsburg, Tulsa, Oklahoma, or to the Auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa.

Late buying orders and instructions can be given to the Sale Manager or to any of the fieldmen present by telephoning them at Telephone Number 620 Chillicothe, Missouri any time on sale day prior to 1:00 p.m.

EDGE MAR ROSEWOOD 19TH - A dark red daughter of M F Graduate from a Rosewood dam sired by Supreme Royal Clipper. Although this heifer is a little young, she has the type and breeding back of her to make a top brood cow. This is exactly the same blood line that produced the Reserve Champion Female at the Missouri State Fair and two Missouri State Sale Champions. Calfhood vaccinated.

**FREE FREIGHT OFFER**

The American Shorthorn Breeders' Association will reimburse up to a maximum of \$200.00 for freight charges only on ten or more lots of cattle purchased by one or more buyers in this sale and to be shipped by rail to a final point 300 miles or more distant.

# Missouri State Department of Agriculture Awards

---

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution and use of better breeding animals in Missouri.

## **BLUE RIBBON Animals are excellent individuals.**

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

## **RED RIBBON Animals are superior individuals.**

Only animals of superior quality, of good type and without any major defect, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

## **WHITE RIBBON Animals are good individuals.**

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Animals which are not superior to high grade stock will be unclassified.

Rollo E. Singleton of the Livestock Division will distribute the awards at the show starting at 9:30 a.m. on Sale Day.
